

COPYRIGHT AND INFORMATION FILE FOR CALEPHAR

Being found with these 2 files both in french and english the game CALEPHAR in final version PROTOTYPE, one ADF without codes, and a whdload installed version.

It has been salvaged and securised by Starlord (Michael Magnano),
Also with the very appreciated help of :

Sigfrodi, for alerting DLFRSilver that the game has been found ;
DLFRSilver for transferring and for dumping the game in ADF and IPF CAPS/SPS ;
CAPS/Softpres for the preservation process of the game in IPF ;
CFOU for the whdload game installer, for patching the game and removal of code protection.

And of course, the person which has allowed this to happen,
the game creator, Mr Claude Verstraeten from Visual Impact.

About Copyright :

Claude Verstraeten allows free downloading without any risk for this game, because he has decided to put this game in PUBLIC DOMAIN, but he keeps the rights.

(A huge thanks to him !).

You are hereby authorised to :

- Give it, copy it to whoever you want to.
- it works now on A1200 ! Thanks to CFOU! for patching it.

NOTA : Those who doesn't own any amiga, KICKSTARTS (Amiga Bios) must be bought from CLOANTO <http://www.amigaforever.com/news-events/20040416af6.html>

Claude Verstraeten is giving us a very nice gift, so it's very welcome to say him hello and thanks him warmly for his work at this address (info@viprod.com) through Visual Impact (<http://www.viprod.com/>)

It will please him a lot to see that his program is not dead.
You will even ask him infos about the coming/designing of this game.

NOTE FINALE :

The game distribution (ADF, IPF) without these word documents (calephar.eng and calephar.fre) is ILLEGAL ! Document modification is also forbidden.

CALEPHAR, © 1994 VISUAL IMPACT ; A Claude Verstraeten original work.
